

CHICKEN *Joe's*

THE ORIGINAL AND THE BEST!

Unique and deliciously healthy

A range of succulent marinated chicken has made Chicken Joe's one of the leading suppliers of chicken products to schools, hospitals and a range of fast food outlets.

Using only the best quality, most tender chicken, and fresh ingredients, Chicken Joe's has developed a delicious chicken product using a range of our own authentic marinades.

All recipes are carefully developed in our new purpose built production unit and then tested by a selected team of tasters. We have recently invested and moved to a £2.5million modern, well equipped factory.
