

ENVIRONMENTAL POLICY STATEMENT

The company is committed to the environmental policy to ensure that its services fully meet the requirements of its clients and the ISO 14001 standard. The goal of the company is to ameliorate its impact on the environment, and protect the environment at all times.

Commitment to the implementation of supporting managerial and business operational systems is essential to realising that goal.

AIP aims to provide a high quality, cost effective service to its clients and are committed to a top quality of service whilst also minimising the company's effect on the environment.

Throughout its activities AIP will endeavor to meet its environmental objectives and set targets to:

- Continue to improve its environmental performance and prevention of pollution
- Comply with all relevant legislation and regulatory requirements
- Use energy efficient work equipment and implement energy saving measures
- Ensure all activities are conducted in such a way as to cause minimum negative impact on the environment and prevent pollution.
- Minimise waste production and use registered carriers for disposal while continuing to seek more efficient recycling methods wherever practicable
- Promoting the use of environmentally friendly products and continuing to reduce the use of environmentally unsuitable ones
- Raising the awareness of environmental issues with all employees and working in partnership with clients and suppliers to promote environment issues
- In order to achieve this AIP will:
 - Operate an environmental management system and adopt working practices that will minimise the negative effects and/or enhance the positive effects the company has on the environment
 - Audit and review environmental performance
 - Train and educate all employees in respect of its environmental policies and encourage contribution of every employee towards improving the environmental performance of the company

This statement of company policy will be communicated to all persons working under the control of the company. This policy is also available to interested parties upon request.
